

Students Seeking Accommodations for a Documented Disability

If you believe that your academic progress has been affected by disability-related issues, you may voluntarily supply documentation about the disability and its specific impact on your educational experiences. If you supply such documentation, we will keep it confidential and use it only as part of our voluntary efforts to increase participation by individuals with disabilities in accordance with ADA mandates. You also may choose **not** to supply this information. If you wish to provide this documentation, please use the following process.

1. As part of the intake process when you begin at Pamlico, you will speak with a Counselor in Student Services when entering a curriculum or a member of the Basic Skills team when entering the GED program.
2. At this initial meeting, you will be given and ADA Student Request for Accommodations and Release of Information Form for completion.
3. This ADA form must be filled out completely and either sent or taken to the office of the Vice President of Student Services. This form must be accompanied by documentation to support your request. A psychological evaluation or a letter from a doctor or other medical evidence should be no more than three years old. A copy of an I.E.P. is not sufficient documentation.
4. The Vice President of Student Services will confirm that all the documentation is complete and you are qualified for services.
5. If the documentation is complete, the Vice President of Student Services/Designee notifies the appropriate contacts at the college.
6. The student will receive either a letter or phone call from the Vice President of Student Services/Designee to set up an appointment to discuss your accommodation needs. An accommodation form will be completed by the contact person and signed by the student.
7. The Vice President of Student Services/Designee will take the accommodation form to the student's college instructors. The instructors will sign the form and return the original form to the Vice President of Student Services/Designee.
8. If you have any questions or concerns, please contact the Vice President of Student Services/Designee at 249-1851.
