

Unusual Enrollment History (UEH) Appeal

Student Name: _____ Student ID: _____

The U.S. Department of Education has selected your FAFSA for review due to your unusual enrollment history. An unusual enrollment history is defined by having attended and received Federal Pell Grant or Direct Loan funds from multiple colleges/universities during the review period of 2020-2021, 2021-2022, 2022-2023 and 2023-2024. Before processing your federal aid request, Beaufort County Community College is required to review your enrollment history and determine whether you are earning academic credit at all institutions in the years listed above. In the process of reviewing your enrollment history, the Financial Aid Office will check the National Student Loan Data System (NSLDS) for a complete history of the Federal Pell grants and Direct Loans you have received and the institutions they were received at.
