FALL 2026 COURSES & PROGRAMS

August to December 2026

Be prepared to embrace the future! Look inside!

PAMLICO
COMMUNITY COLLEGE

FALL 2026 CURRICULUM PROGRAMS

Check out the curriculum programs we offer!

Pamlico Community College offers associate degrees, diplomas and certificates in more than a dozen curriculum (for credit) programs.

Some of PCC's programs can be completed entirely online!

The college also offers university-transfer courses for men and women who are interested in transferring to a four-year institution.

Full-term face-to-face curriculum courses will begin Aug. 17 and will end Dec. 14. Online curriculum courses will begin Aug. 31 and will end Dec. 14.

A-Term (half-semester) courses will begin Jan. 12 and will end Oct. 9. B-Term (half-semester) courses will begin Oct. 14 and will end Dec. 14.

Associate Degree in Arts

The Associate in Arts degree program is college curricula designed to provide a full two-year transfer credential for students wishing to transfer to a four-year college or university and earn a bachelor's degree.

Contact: Neil Callahan

252-249-1851, ext. 3042

ncallahan@pamlicocc.edu

Associate Degree in General Education

The two-year Associate in General Education curriculum is designed for students who wish to broaden their education, with emphasis on personal interest, growth and development.

Contact: Neil Callahan

252-249-1851, ext. 3042

ncallahan@pamlicocc.edu

Associate Degree in Science

The Associate in Science degree program is college-level curricula designed to provide a full two-year transfer credential for students seeking to continue their education at a four-year college or university.

Contact: Kirstie Eastwood

252-249-1851, ext. 3041

keastwood@pamlicocc.edu

Accounting & Finance

Accountants and finance professionals assemble and analyze, process, and communicate essential information about financial operations. Degree, diploma and certificate options are available.

Contact: Terri Fesmire

252-249-1851, ext. 3009

tfesmire@pamlicocc.edu

Business Administration

Students in the program learn fundamental knowledge of business functions, processes, and an understanding of business organizations in today's global economy. Degree and certificate options available.

Contact: Terri Fesmire

252-249-1851, ext. 3009

tfesmire@pamlicocc.edu

Cosmetology

Get the knowledge and hands-on skills you need to help people look their best! The program is taught in a simulated salon environment in Bayboro where students develop their skills. Diploma and certificate options.

Contact: Shanna Lewis

252-249-1851, ext. 3135

slewis@pamlicocc.edu

252-249-1851, ext. 3058
jflynn@pamlicocc.edu

It's time to get started!

Registration for the Fall 2026 curriculum semester is set for Tuesday, Aug. 4, from 8:30 a.m. to 7 p.m. Interested students also can contact the college anytime to discuss their options, including financial aid. For more information, call 252-249-1851, ext. 3001, or email studentservices@pamlicocc.edu.

To see the college's entire Fall 2026 class schedule, please scan the QR code or visit:
<https://pamlicocc.edu/student-resources/class-schedules/>

Interested in short-term career training? Check out the Continuing Education listings starting on page 5!

FINANCIAL AID

PCC can help you find money for college!

Pamlico Community College can help you find the money you need to pursue your educational goals! Much of the aid available for qualified students comes in the form of need-based federal Pell Grants or the new Next NC scholarships, which is a combination of federal and state funds.

Other financial aid options available for curriculum students through PCC include Federal Supplemental Education Opportunity grants and Federal Work-Study programs.

Additionally, the college has several local and institutional scholarships available for students who qualify, thanks to generous donors to the Pamlico Community College Foundation.

Unlike loans, grants and scholarships do not have to be paid back.

The first step that current and prospective students should take when applying for financial aid is to complete the FAFSA (Free Application for

Federal Student Aid) form, even if they believe they won't qualify for help.

It's important to start the process as soon as possible!

The FAFSA form helps PCC staffers determine a student's need so they can match them with possible scholarships or other federal or state financial aid options. PCC staffers are available to help students complete the FAFSA form. Once that's complete, current and prospective students are encouraged to fill out the college's scholarship application.

PCC also is able to certify for VA Education Benefits. Only eligible veterans, dependents or active duty service members who have obtained eligibility with the VA (or have received advance approval from their ESO or service if using Tuition Assistance) can utilize these benefits.

Questions? Contact Shellie Saxby at ssaxby@pamlicocc.edu or 252-249-1851, ext. 3025.

N.C. CAREER & COLLEGE PROMISE

PCC offers tuition-free college classes for high school juniors and seniors!

Juniors and seniors are eligible to take tuition-free Pamlico Community College courses while they are in high school, thanks to the N.C. Career & College Promise (CCP) program!

The credits earned by passing the college-level courses can help students get ahead and save money on a college or university education!

There are two college pathways:

- College Transfer Pathways (CTP) require the completion of at least 30 semester hours of transfer courses including English and mathematics.
- Career and Technical Education Pathways (CTE) lead to a certificate or diploma aligned with a high school career cluster.

Classes can be offered in a face-to-face format, an online format or in a combination of both.

The CCP program has been great for motivated students who want to get ahead in their college/university studies or who want to get started on their careers.

The CCP program is open to local students, regardless of whether they attend Pamlico County High School, Arapahoe Charter School, Pamlico Christian Academy or a home school!

You can't beat free college! Talk to your guidance counselor or contact Derek Godwin at dgodwin@pamlicocc.edu or 252-249-1851, ext. 3106, to learn more.

Registration for N.C. Career & College Promise courses will take place Aug. 24, 25 and 26 from 8 a.m. to 3 p.m. daily at the Mattocks Center in Bayboro.

CONTINUING EDUCATION

Pamlico can help you acquire the skills you need for a great career!

The college's Continuing Education division can help you learn the skills you need for a great new career or to move up in your current position!

These short-term courses are offered virtually, at the college's Grantsboro campus, at the Bayboro Center and at other locations, as necessary.

NOTE: Some courses are listed under multiple categories. (We want to make sure you don't miss them!)

For more information, call 252-249-1851, ext. 3015, or visit the college's website for online registration and the latest course listings:

maintenance. Students will learn electrical safety, charging station configuration and specification, communication systems, site inspection, troubleshooting and repair.

Location: Grantsboro campus

Registration: \$180.55

Date: Fall 2026

To register, please call 252-249-1851, ext. 3015, or email lgiles@pamlicocc.edu.

Entrepreneurial Mindset

This course is designed to inspire and engage students in the fundamental aspects of an entrepreneurial mindset and the unlimited opportunities it can provide. The program enables you to learn directly from the firsthand knowledge and experience drawn from a wide variety of successful “unlikely” entrepreneurial thinkers. Students will be exposed to a new perspective, one that will reveal new opportunities, ignite your ambition and foster the attitudes, behaviors and skills that will empower you to succeed in work, school and life.

Location: Online

Date: Fall 2026

Call 252-249-1851, ext. 3015, or email lgiles@pamlicocc.edu.

Forklift Training

Learn to operate a forklift in this basic operator class. A combination of classroom instruction and hands-on training will provide students with operational knowledge and skills. Complete this one-day training to expand your workplace skills!

Location: Grantsboro campus

Registration: \$70.55

Date: One-day training Nov. 7

Time: 8 a.m. to 5 p.m.

To register, please call 252-249-1851, ext. 3015, or email lgiles@pamlicocc.edu.

Forklift Training and OSHA 10 Combo!

This short-term job skills training class will provide forklift operator training, as well as a 10-hour OSHA general industry training, which is focused on a basic overview of safe/unsafe conditions in the workplace.

Location: Grantsboro campus

Dates: Fall 2026

To register, please call 252-249-1851, ext. 3015, or email lgiles@pamlicocc.edu.

HVAC Basics

The demand for HVAC Technicians is on the rise! This class will provide the basic principles of heating, ventilation and air conditioning (HVAC) principles. Learn about heating, cooling and air distribution systems, as well as basic copper, plastic and carbon steel piping. Students will also learn about compressors and refrigerants in this hands-on class.

Location: Grantsboro campus

Registration: \$180.55

Date: Fall 2026

Please call 252-249-1851, ext. 3015, or email lgiles@pamlicocc.edu.

Introduction to CAD and 3-D Printing

Learn about exciting new technologies! In a hands-on and hybrid approach, you will learn how to use CAD computer software to design digital instructions that create physical objects with our 3-D printers. Upon completion, students will be able to plot and produce a 3-D rendering that can be produced on one of our 3-D printers.

Location: Online

Registration: \$180.55

Dates: Aug. 31 to Dec. 14

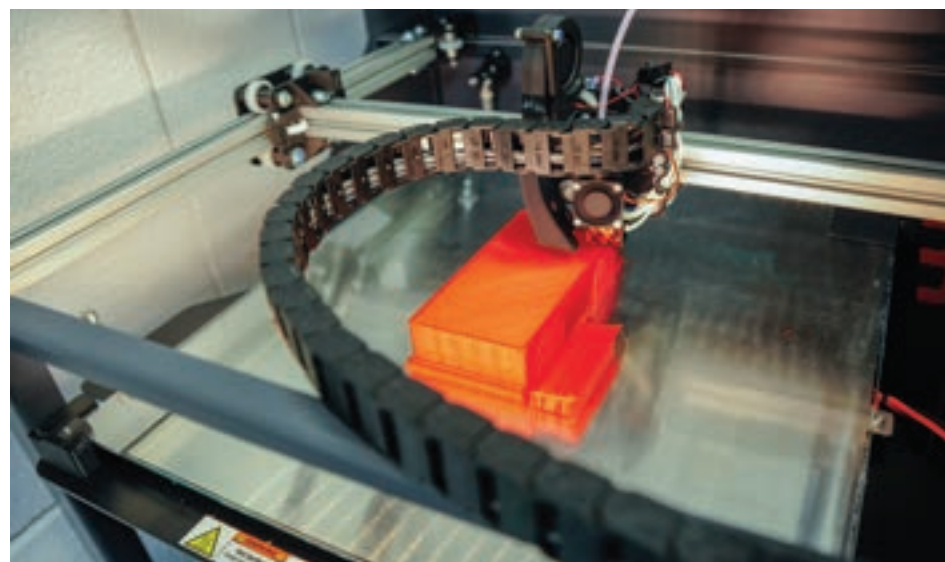

For information, please call 252-249-1851, ext. 3015, or email lgiles@pamlicocc.edu.

CAD 2 and 3-D Printing

This intermediate level class builds on basic CAD skills, focusing on expanded applications to generate and manage drawings. It teaches students to apply technical skills using advanced software to create, generate, and manage two-dimensional and three-dimensional models.

Location: Online

Registration: \$180.55

Learn about the world of CAD and 3-D printing with Pamlico's courses!

Financial aid is available for many of PCC's short-term Continuing Education courses! Call 252-249-1851, ext. 3015, or email lgiles@pamlicocc.edu for more information!

CAD 3 and 3-D Printing

This advanced level class builds on basic CAD skills, focusing on expanded applications to generate and manage drawings. It teaches students to apply technical skills using advanced software to create, generate, and manage two-dimensional and three-dimensional models.

Location: Online

Registration: \$180.55

Dates: Aug. 31 to Dec. 14

For information, please call 252-249-1851, ext. 3015, or email lgiles@pamlicocc.edu.

Microsoft Excel

Learn how to use spreadsheets to manage data! This course will cover all exam topics to create and manage worksheets and workbooks, manage data cells and ranges, create tables, perform operations with formulas and functions, and create charts and objects.

Location: Grantsboro campus

Registration: \$70.55

Dates: Thursdays, Oct. 15 to Nov. 19

Time: 9 a.m. to noon

To register, please call 252-249-1851, ext. 3015, or email lgiles@pamlicocc.edu.

Microsoft Office

Learn how to use the Microsoft Office software programs: Word, Excel, PowerPoint, and Access! If you are seeking to expand your knowledge of the courses for use at home or to demonstrate that you have mastered the competencies that will enhance your skills for the workplace, this course will target your needs.

Location: Online

Registration: \$70.55

Dates: Thursdays, Sept. 3 to Oct. 8

Time: 9 a.m. to noon

Call 252-249-1851, ext. 3015, or email lgiles@pamlicocc.edu.

COMPUTERS / INFORMATION TECHNOLOGY

Basic Computers

Would you like to learn how to use a computer? If so, we have a class that

Instructor Dr. Karen McCarten, standing, teaches a recent session of the Basic Computers for Seniors course. Come learn about computer technology in a fun, relaxed atmosphere. The course is available free for adults ages 65 and older through a collaboration with Agape Love in Action, Inc.

will teach you the basics! Students will learn terminology and concepts that provide a level of comfort with a computer. Email, using the Internet, and navigating software programs will be the focus of this course!

Location: Grantsboro campus

Registration: \$70.55

Dates: Tuesdays, Aug. 25 to Nov. 10

Time: 9 a.m. to noon

To register, please call 252-249-1851, ext. 3015, or email lgiles@pamlicocc.edu.

Basic Computers for Seniors

Would you like to learn how to use a computer? Are you over the age of 65? If so, we have a **FREE** class that will teach you the basics! Students will learn terminology and concepts that provide a level of comfort with your computer. Email, using the Internet, and navigating software programs will be the focus of this course! This is a series that consists of three 24-hour sessions.

Location: Grantsboro campus

Registration: FREE for students over the age of 65!

Dates: Tuesdays, Aug. 25 to Nov. 10

Time: 9 a.m. to noon

To register, please call 252-249-1851, ext. 3015, or email lgiles@pamlicocc.edu.

The Pamlico Community College Foundation Inc.
is a 501(c)3 organization. EIN #58-1649441.

A new year, a fresh opportunity to make a difference!

A new academic year will begin soon at Pamlico Community College (PCC), and with it will come the promise for each student of learning a new skill or trade, getting a better job, making more money, and improving the quality of life for themselves and their families.

You help make that possible! You are our hero!

Generous friends like you can help students get a jump start on a college education or job skill by choosing to make a gift for scholarships or even "where needed most." Donations in any amount to any of the PCC Foundation's funds are appreciated!

Please consider supporting your community college with a tax-deductible donation. Make your check to PCCF, P.O. Box 185, Grantsboro, N.C. 28529. To use a credit card or PayPal and to learn more about the PCC Foundation, please visit <https://pamlicocc.edu/about-pcc/pcc-foundation/>.

Thank you!

**Mark your calendars for the

IMPORTANT INFORMATION FOR THE PUBLIC

Disclosure of Consumer Information-Your Right To Know

Pamlico Community College is committed to providing students, their families and the campus community full disclosure of all consumer information as required by state and federal laws and regulations. The laws are intended to satisfy students' right to know, and afford the opportunity for students to make fully informed choices regarding the institution they elect to attend. Please take a moment to review the information below:

Non-Discrimination

Pamlico Community College does not discriminate in its educational programs, activities, or employment on the basis of sex, age, disability, race, color, national origin, sexual orientation or religion. For information about Title IX for employees, contact Mrs. Brandy Fillingame, payroll/human resources technician, at bfillingame@pamlicocc.edu or 252-249-1851, ext. 3005. For Section 504 information and Title IX for students, contact Mr. Jamie D. Gibbs, Vice President of Student Services, at jgibbs@pamlicocc.edu or 252-249-1851 ext. 3021.

Safety on Campus

Pamlico Community College places the highest priority on your safety. We rely on community members to share our commitment and actively participate in creating a safe and secure living, learning, and working environment. In compliance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (The Clery Act), Pamlico Community College's Annual Crime Statistics can be found at

https://pamlicocc.edu/wp-content/uploads/2025/09/2022-2024_Crime_Security_Report_9.26.25.pdf

This link includes data for the previous three years concerning reported crimes that occurred on or around the campus. More information on crime statistics and other campus safety details can be found within PCC's General Catalog. To obtain other information or to speak to a representative concerning crime statistics, please contact the Division of Student Services: 252-249-1851, ext. 3001.

Drug Free Schools and Campuses Act of 1989

The Drug Free Schools and Campuses Act of 1989 requires that all students be notified annually of Pamlico Community College's Drug Alcohol Abuse Policy in the College Catalog. Other policies regarding student conduct and sanction for violations can be found in the Pamlico Community College Policies and Procedures manual.

More information on local resources to assist you with the prevention of substance abuse is available from Pamlico Community College's Division of Student Services.

Privacy Rights of Students' Educational Records

The Family Educational Rights and Privacy Act of 1974 provides safeguards

regarding the confidentiality of and access to student records, and this Act will be adhered to by the College. Current and former students have the right to review their official records and to request a hearing if they challenge the contents of these records. No records shall be made available to unauthorized personnel or groups outside the College without the written consent of the student involved except under legal compulsion.

The Equity in Athletics Disclosure Act

In compliance with the Equity in Athletics Disclosure Act (EADA), Pamlico Community College does not compete in athletics.

Completion of Degrees and Graduation Rate Information

Graduation rates for full-time, first-time undergraduates can be found at <https://nces.ed.gov/collegenavigator/>. Search for "Pamlico Community College". The information is also displayed by gender and by ethnicity.

Financial Aid Information

Consumer disclosure information relating to financial aid includes: cost of attendance, description of need and non-need aid types, application procedures and processes, student eligibility requirements, students' rights and responsibilities, criteria for selection of recipients and awarding funds, disbursement information, refund and repayment policies, satisfactory academic progress policy for financial aid, appeal procedures, financial aid availability for students abroad, and VA/military benefits.

Pamlico Community College strives to assist students in understanding financial literacy and student debt. For more information on Financial literacy, please go to <https://pamlicocc.edu/admissions/financial-literacy/>.

All of this information can be accessed in the Pamlico Community College Catalog or by contacting the Division of Student Services: 252-249-1851, ext. 3001.

Bookstore

Information regarding textbooks (ISBN, price, etc.) for specific courses can be found by navigating to the Pamlico Community College Bookstore web page and selecting the "Textbooks List Tab". Further information on textbooks can be found by calling the bookstore: 252-249-1851, ext. 3006.

Technology Use

Students must adhere to the Acceptable Use Policy (AUP). A copy of the policy can be obtained by contacting the college's Division of Student Services at 252-249-1851, ext. 3001.

PCC has partnered with Nelnet Business Solutions to offer students the option of paying their tuition and fees over time. For more information, call 1-800-609-8056 or visit <https://mycollegepaymentplan.com/pamlico/> on the web.
